

AgeGuide is one of over 600 such agencies throughout the United States created by Congress to implement the Older Americans Act and coordinate a wide variety of services to support persons age 60 and older, family caregivers and non-parent relatives raising children. AgeGuide awards funds to local organizations in each county within our designated area to provide these important services.

We are dedicated to connecting a vast network of providers to those who need them!

For additional information on getting connected: www.ageguide.org – (800) 528-2000
