

**At AgeGuide, it is our mission to be a vital resource and advocate for people as we age by providing thoughtful guidance, supportive services, and meaningful connections.**

AgeGuide, one of 13 Area Agencies on Aging in Illinois, works with local partners to implement the Older Americans Act and coordinate a wide variety of services to support people 60 and over, their caregivers and relatives raising children. These services enhance the quality of life for all people on their aging journey.
